story text goes. Fill in this area
with your story.

This is the second paragraph.
You could keep on writting until
it fills up the box.

The box size is determined
by grid_frame value at the top. It
is usually looks somethink like
grid_frame: [0,0,4,6] The first
value is x, y, width, height. So
this the box will have size of 4
grid wide and 6 grid tall.
